

Habitat for Humanity Greater San Francisco builds homes and sustains affordable homeownership opportunities for families in Marin, San Francisco, and San Mateo counties. We believe that everyone should have safe, healthy, and affordable places to live, play, and grow. And we believe there's power in numbers — and that by mobilizing our own neighbors, we can change people's living situations for the better. Our values focus on building partnerships, equity, stability, and legacy.

Framing the Future Luncheon
Julia Morgan Ballroom
465 California Street, San Francisco
FRIDAY, NOVEMBER 1, 2019
11:30am-1:30pm

FRAMING THE FUTURE will provide a chance for over 500 supporters to gather together to learn about innovative solutions to the local housing crisis, the value of community investment and to celebrate our collective passion for Habitat Greater San Francisco.

As the nation's most expensive real estate market, the Bay Area is currently in the middle of a housing affordability crisis, with families fleeing San Francisco and neighboring counties for more affordable areas. The current climate is ripe for an expert-driven discussion about solutions for the rampant displacement that is underway.

Habitat executives and partners will discuss how Habitat's proven model provides a solution - families get a chance to trade hard work for a down payment and build equity that will set them and their children on a path to financial security.

As a sponsor of Framing the Future, you'll engage an audience of key decision-makers, community leaders and expert development professionals interested in giving back to their communities.

Your support means your company is committed to helping grow a diverse Bay Area economy that includes families of all income levels.

Please review the following pages outlining the levels and benefits you will receive by sponsoring the Framing the Future breakfast and luncheon. We hope you will join us in partnership for this powerful event.
